Cypress Semiconductor CY8CKIT-001 PSoC® Development Kit

Mansfield, Texas, USA — September 28, 2009 - Mouser Electronics, Inc., known for its rapid introduction of the newest products, today announced it is stocking new product from Cypress Semiconductor.

The Cypress Semiconductor CY8CKIT-001 PSoC® Development Kit provides a common development platform for designers to prototype and evaluate different solutions using the PSoC or the brand-new PSoC3 and PSoC5 architectures. The Cypress Semiconductor CY8CKIT-001 provides for a practical understanding of PSoC technology and offers several example projects with step-by-step instructions to make it easy to get started creating PSoC solutions. This PSoC development kit includes PSoC CY8C29 and PSoC3 CY8C38 family processor modules. The CY8CKIT-001 also comes with a kit CD that includes PSoC Designer™ IDE for PSoC, PSoC Creator™ IDE for PSoC3 / PSoC5, PSoC Programmer™ software, and documentation. To learn more, visit [http://www.mouser.com/catalog/specsheets/PSoC_portrait%20bro_LRES%20\(3\).pdf](http://www.mouser.com/catalog/specsheets/PSoC_portrait%20bro_LRES%20(3).pdf).

Mouser Electronics is the only major distributor to publish a new 2,184+ page print catalog every 90 days. In addition, its website with interactive online catalog is updated daily, contains more than a million products for easy online purchase, provides over 1.5 million cross-references, as well as more than 900,000 downloadable data sheets, supplier-specific reference designs, application notes, and other technical design information.

About Mouser

Mouser Electronics, Inc. is an electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers. Mouser.com features more than a million products online from more than 390 manufacturers. Mouser's 2,184+ page catalog is published every 90 days, providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 280,000 customers in 170 countries from its 432,000 sq. ft. state-of-the-art facility in Mansfield, Texas. For more information, visit www.mouser.com.
